# Welcome

---

The Committee and Members of PDODC would like to thank all of the entrants in the club's 2018 Rally Trial and hope you have an enjoyable and successful trial.

The Committee would also like to thank all of the Judges and Stewards for their time and also those helping in the office, with catering, and for those offering their time with planning and running of this trail.

It is asked that all entrants ensure that they report promptly to the ring when called. For those entered in multiple classes, all efforts to avoid clashes have been made and it is asked that you communicate to the ring stewards sooner rather than later if it looks as though you will have a clash on the day. Entrants not reporting to the ring in a prompt manner when called may be scratched. If you are likely to clash it is asked that you prioritise those classes that are run according to height. It is asked that people consider other entrants when walking past and between the rings to avoid distraction for the dog in the ring.

## Catering

Catering will be available on the day for both trials.

## BOW WOW Team Prize

Para District Obedience Dog Club is thankful of their major sponsor Bow Wow Gourmet Dog Treats for supporting this award and for providing other prizes for the event. Entry forms for the team prize are required to be submitted before the close of vetting for each trial.

# BOW WOW TEAM PRIZE

## Purpose of Prize

While Rally Obedience is an individual dog discipline the Rally Team Prize aims to promote club team spirit and help encourage new members into the sport of Rally Obedience with the support of experienced handlers from the same club. The Rally Team prize will be awarded to the highest scoring team. A team shall comprise of four dogs with each competition level of Rally Obedience represented (Novice, Advanced, Excellent and Masters) in the team.

## Entry Requirements

- Only teams from SACA affiliated clubs are eligible to enter and all team members must have registered for the trial in which the team is entered.
- Multiple team entries are allowed from the same club at the same trial.
- No dog can be a member of two different teams at the same trial. A dog can be in different teams on the same day where there is a double trial.
- A handler may have multiple dogs in the same team, or on different teams, at the same trial.
- All entries should be submitted on the day of the trial to staff at the registration desk during the allocated registration time on a completed entry form (see below). No team changes are allowed once the entry has been received.
- Each team must comprise a Novice, Advanced, Excellent and Masters level dog but cannot have both an Advanced B and Excellent B level represented in the same team. Therefore if the Excellent level dog is entered in Excellent B, the Advanced level dog in that team must be entered in Advanced A and vice versa. Teams with an Advanced A and Excellent A level dog are allowed.
- Scores from non-qualifying dogs will still be counted towards the team total. Where two teams finish on the same team total, the team with the fastest combined time will be considered the winner.
